*EMPOWERING INDUSTRY 4.0*

# SECURE DATA & ACCESS CONTROL SOLUTIONS

**SMC**™

Strong access control and network security are the cornerstones of a safe, sustainable, and cost-effective environment.

Prevent costly breaches and unauthorized use of resources by managing access to critical spaces. This reduces energy waste from unnecessary equipment use and protects sensitive data, supporting network well-being and financial savings.

Join us on September 27th to speak with SMC experts and industry-leading partners - plus grab lunch on SMC!

**FRIDAY, SEPT. 27**

**10 AM - 2 PM**

**SMC SPRINGFIELD**

585 N. Washington Ave.
Springfield, MO 65806
